Post: Head of Counselling & Practice
Salary: £45,864 - £52,959
Hours: 37.5 hours per week
Duration: Permanent, subject to performance and continuous funding
Location: Ealing with requirement to work from any of EACH's locations

EACH Counselling and Support is a leading charity based in NW London providing a range of specialist services to individuals and families affected by mental health, domestic violence and alcohol and substance misuse issues. We are looking to expand our Senior Management Team so that we can build upon our work to make a difference to people's lives to help them recover from the impact of mental health, trauma and domestic abuse.

We are recruiting to the following:

Head of Counselling and Practice to join our Senior Management Team to ensure that our services are effective, of high quality and safe. The role requires you to support and lead on the development of client practice, provide clinical oversight and input to our work, as well as hold a small case-load. Based at our Ealing centre, you will work across other sites as required.

You will have:

- A recognised counselling qualification and extensive counselling/psychotherapy experience within a relevant field – Substance Misuse, Mental Health, Trauma or Domestic Abuse and Violence
- understanding of various interventions to support long-term recovery for vulnerable clients
- understanding of needs of volunteer/trainee counsellors and ex-service users
- ability to provide leadership and direction

You will also need to be qualified to provide clinical supervision.

Deadline for applications: 10:00 am **20th September 2024**

Interviews: **26th September 2024**

All interviews will be held in person.

EACH offers a 4% – 6% contributory pension scheme dependent on employee's contributions and has a commitment to staff development and training. EACH is an Equal Opportunities Employer.
